

	<p>Dept. of Early Learning: Readiness to Learn Family Voices Born Learning groups Childcare Health Consultants Health Coalition for Children & Youth</p>		<p>would like to do a presentation for the coalition on various subjects relating to schools.</p> <p>Draft general letter about the WSOHC to distribute to other groups</p> <p>HCCY: monthly meetings (outside of legislative session) on the 2nd Wednesday of the month Next meeting: May 9th at 9AM Location in Seattle Contact person: Jon Gould Jon@childrensalliance.org</p>
Upcoming Events	<p>Continuance from last minutes: Public Health Week is in April. On April 4th there will be an event at the capital in Olympia. Members are urged to participate. WSPHA and the WS Health Foundation are lead agencies. It may be possible to set up a table with information on the coalition. For more information, a link to WSPHA is provided.</p> <p>It was also suggested that a letter of support to WSPHA be sent from the coalition after the governor's proclamation about Public Health Week.</p>	All	<p>Web page: http://www.wspaha.org/</p> <p>LeeAnn drafting letter of support for the Executive Committee to approve</p>
Website information	<p>To obtain a website for the coalition, there would be a \$10.00 charge for the Domain Name.</p> <p>Coalition would need a host server. Possibilities are: Commercial host – cost about \$100 per year Non-Profit Host – such as WDS, WSDA, WSDHA,</p>	Chris	

	<p>Yakima site, Seattle King County Dental Society</p> <p>Would it require a web master to ensure that information is upgraded?</p> <p>Can obtain web site software through Microsoft WIKY for free to create an interactive website so that members could update their own information</p>		<p>Continue to gather information.</p>
<p>Presentation: Medical and Dental Home</p>	<p>Historical and current perspectives on Medical and Dental Homes</p> <p>Discussion of Dental Home topic: (Including, but not limited to.....)</p> <ul style="list-style-type: none"> - Using Chronic Care Model - Care coordination essential - Financial component - Referrals – not always successful - Limited dental provider involvement currently in treating Medicaid covered clients - Pairing of medical and dental providers - Building on available Medical Home model – limited practices <p>Potential coalition activities:</p> <ul style="list-style-type: none"> - Raise awareness of Medical/Dental Home model - Participate in establishing definitions - Providing a “Key Messages” document - Bringing together Medical and Dental Providers 	<p>Mickey Kander, DOH</p> <p>All</p>	<p>Establish a Coalition sub-committee lead by Joseli Alves-Dunkerson, DOH Potential members include: Christie Waddington Laurie Roy Braken Killpack</p>

			Chris Delecki John Neff
Sub-Committee Reports	School Based Group – have not met Adult Oral Health – have not met Joint Conference – have not met		Adopt-A-School – recruiting dentists Program operates differently depending on community Contact Braken Killpack with WSDA/WOHF for more information Call for abstracts
Updates:	Risk Assessment Treatment Planning Insurance tool promoted by WDS that allows an increase in services dependent on risk assessment – such as increase use of fluoride treatments for patients with reoccurring decay	Chris	WDS currently piloting the project with King County Employees and WDS Employees
